

Our Lady of the Sacred Heart School Merbein

Reg. No. 1277

15th May, 2020

Dear Parents & Families,

We are very aware that Remote Learning has been challenging and we are conscious of the strain this has put on the wellbeing of our entire school community. With this in mind, we have decided to schedule a 'Learning Free Day' for students, staff and parents on Friday 22nd May.

Students working from home will not need to attend any video conferences or do any school work on this day and parents can relax knowing they don't need to supervise any learning!

If your child has been attending school during this period, we would appreciate it if you were able to keep them home on this day. If you are unable to make alternate arrangements, could you please advise the school by end of day Tuesday.

This is our way of saying thank you and well done to everyone for the amazing work you have been doing. We appreciate all you have done and sincerely hope you take this opportunity to relax, refresh and enjoy a little 'down time' before we begin our transition back to school.

Kind regards,
Narelle Gallagher
